### Pattern Notes

#### *UK Terminology used*

*The numbers at the end of the rounds in Brackets, are the amount of Stitches you should have at the end of that row.*

*The CH 1 does not count as a stitch. Always work into the 1st Stitch of the Row unless otherwise stated.*

*You do **NOT** have to cut your yarn for every colour change. Simply carry it up to the next round, by holding the yarn you are not using off to the right-hand side, out of the way.*

*When working on the Cowl We will **NOT** be Chaining one to complete the puff Stitch, this keeps the stitches close together*

*When Working the Hat, we **WILL** be Chaining one to complete the Puff Stitch, as this helps you move around onto the next Space*

*Gauge – 13 Rows, 8 Puff and 8 double crochet stitches to 4"/10cm*
