Pattern Notes

UK Terminology used

The numbers at the end of the rounds in brackets, are the amount of stitches/pattern repeats you should have at the end of that row.

The chain 1 does not count as a stitch. Always work into the 1st stitch of the row unless otherwise stated.

Make sure to have 92 stitches at the end of row 12, or the next pattern section, will not line up.

Abbreviations explained

Tc in tc – work 1 treble crochet into the next treble crochet only

Tc in chsp – work 1 treble crochet into the chain 1 space from the row below

Tc 6 (7)(8) – 1 treble crochet into the nxt 6 (7) (8) treble crochet stitches and so on

Ch 1 / sk 1 – chain 1, skip 1 treble crochet

Border –

Row 1 of the border will be worked into the spaces between the stitches along the top and bottom.

When working the sides, work into the space between the last 2 stitches of every row.

Depending on the row you are working you will need to work over either the tc or the tc and the turning ch.
Corners will be made by working 3 htc + ch 1 + 3 htc.

With the right side facing you, attach B into the space between the last 2 tc you just worked

Row 1 – ch 1, * htc + ch 1 + htc into 1st sp, htc into every sp across till you have 1 left, into last sp, 3 htc + ch 1 + 3 htc, working down the side work 2 htc into the end of every row *, rept from * to * once more slst to 1st htc

Row 2 – ch 1, fptc into 1st, bptc into nxt, rept around, slst to 1st fptc

Rows 3 and 4 - ch 1, fptc into fptc, bptc into bptc, slst to 1st fptc

Fasten off, weave in all ends.
